Ch.no.3 COMMA

- A comma's (,) has many different uses. It is the punctuation most frequently used in writing. Its main use is to separate words such as nouns, adjectives and verbs in a series.
- A comma separates three or more nouns or pronouns in a series.
- It separates three or more adjectives in a series.
- It separates three more verbs in a series.

Page no:- 15 (Try Out)

Add commas to correctly punctuate each sentence:-

Eg:-(1) In the summer the weather in the southern states is humid hot and rainy.

Ans:- In the summer, the weather in the southern states is humid, hot and rainy.

Ch.no.4 A, AN and THE

- We use 'a' or 'an' before singular naming words.

Eg:- a boy , an orange

- 'A' is used before consonant sounds.
- 'An' is used before vowel sounds.
- 'The' is used before particular persons or places. It can be used before singular / plurals.

Page no:- 17 (Try Out)
